"That's What Makes You Radical"

[Verse 1]
You're insecure,
Don't know what for,
You're trying to simplify radicals
Now girl be tough,
An' break it up,
You'll get primes if you factor enough,

[Bridge]
Everyone else in the room can see it,
Now it's all up to you,

[Chorus]
Baby you simplify roots like nobody else,
The way you break radicands gets me overwhelmed,
You take out each of the pairs, it ain't hard to tell,
You don't know,
Oh, oh,
You simplified a radical,
If only you saw what I can see,
You simplify radicals just by factoring,
Then some factors will leave with their "jump buddies",
You don't know,
Oh, oh,
You simplified a radical,
Oh, oh,
That's what makes you radical

[Verse 2]
Now if it's stacked
Check the low rack
Radicals on the bottom are bad-ad-ad
Now get it tight
Check the outside,
The coefficients need to multiply-y-y

[Bridge]
Everyone else in the room can see it,
Now it's all up to you,

[Chorus]
Baby you simplify roots like nobody else,
The way you break radicands gets me overwhelmed,
You take out each of the pairs, it ain't hard to tell,
You don't know,
Oh, oh,
You simplified a radical,
If only you saw what I can see,
You simplify radicals just by factoring,
Then some factors will leave with their "jump buddies",
You don't know,
Oh, oh,
You simplified a radical,
Oh, oh,
That's what makes you radical

Na na na na na na na na na na
Na na na na na na *[x2]*

Baby you simplify roots like nobody else,
The way you break radicands gets me overwhelmed,
You take out each of the pairs, it ain't hard to tell,

You don't know,
Oh, oh,
You simplified a radical,

[Chorus]
Baby you simplify roots like nobody else,
The way you break radicands gets me overwhelmed,
You take out each of the pairs, it ain't hard to tell,
You don't know,
Oh, oh,
You simplified a radical,
If only you saw what I can see,

You simplify radicals just by factoring,
Then some factors will leave with their "jump buddies",
You don't know,
Oh, oh,
You simplified a radical,
Oh, oh,
You simplified a radical
Oh oh,
You simplified a radical,
Oh oh,

That's what makes you radical
